

Ellen A. Feldman

AI Conversation & Content Design

WORK EXPERIENCE

Current Experience:

UX Content Collective (Freelance)

Instructor (April 2022-present)

Remote

- Graded UX Writing Fundamentals course.
- Graded Content Testing & Research course and helped create grading rubric for second version of the course.

Past Experience:

Innovaccor

Lead Conversation Designer/Content Designer (Dec. 2024-May 2026)

Remote

- Built custom GPT style guide and UX writing assistant in ChatGPT and migrated to Claude.
- Became familiar with Claude Code, GitLab and JSON and how they can best be used to improve content design practices and efficiency.
- Created AI-based conversational pathways for AI agents to book medical appointments, check in on patients and more.
- Built reusable conversational pathway and node components to help standardize conversation design across products.
- Crafted a voice and tone and style guide, including a content pattern library.
- Wrote UX microcopy for multimodal AI agents, including traditional graphical UIs, voice and SMS.
- Collaborated with engineers, vendors, UX designers, researchers, legal, SMEs and more on various projects.
- Converted from contract to full-time in September 2025

Outlier (Freelance)

Senior Prompt Engineer/AI Writer (April 2024-July 2026)

Remote

- Helped train the largest LLMs in the world for accuracy, safety, verbosity and more.

Envisionit - Fintech Client (Freelance)

Content Strategist (July 2024-Oct. 2024)

Remote

- Crafted a competitive analysis, heuristic analysis, content audit, content strategy recommendations, suggested user flow and gap analysis for embedded finance enterprise client.
- Collaborated with SEO, account directors, visual designer, and others on a 200+ page client deck.
- Presented UX and content strategy-focused portions of the deck to the client.

Expedia (Contract)

Content Designer (May 2022-Dec. 2023)

Chicago/Remote

- Wrote pre- and post-purchase travel insurance UX copy for flights, cars, lodging and packages lines of business.
- Collaborated with product owners, legal, experience designers, UX researchers, SMEs, insurance suppliers and other content designers across numerous time zones.
- Participated in weekly content and design crits.

Ellen A. Feldman

AI Conversation & Content Design

- Ran voice and tone workshop and created guidelines for insurtech experience.
- Created artifacts including a competitive analysis and voice and tone template for a content design toolkit.
- Contributed to style guidelines.
- Created a space for other content designers to interact with and ask questions of insurtech content designers, ensuring a more cohesive and consistent shopping experience.
- Participated in Toastmasters.
- Became certified in Mental Health First Aid, and served as a Mental Health Ambassador for any peers who wanted someone to talk to about their mental health.

Microsoft (Contract)

Senior Content Designer (May 2021-Oct. 2021)

Remote

- Wrote microcopy including error messages, headlines, tooltips, CTAs, labels and more for Dynamics 365 Customer Service B2B product.
- Collaborated with other content designers, UX designers, UX researchers and developers across the globe.
- Provided feedback on how to position content design to business partners via a newsletter, deck and content intake form.
- Participated in weekly content design peer reviews.

Allstate (Contract)

Senior Content Strategist/UX Writer (July 2020-May 2021)

Remote

- Helped develop two new insurance products as the only dedicated content strategist on both projects to start.
- Wrote copy for the end-to-end customer experience, including the customer UI, agent UI, telematics integration, customer call center and transactional emails.
- Collaborated with product owners, business, marketing, developers, SMEs, actuaries, legal, UX designers, visual designers, UX researchers and an outside consultancy.
- Identified the voice & tone for one product by executing a brainstorming workshop.
- Ran communication touchpoint strategy sessions to identify the email journey.

Vitality Group

UX Writer (July 2019-July 2020)

Chicago, IL

- Served as the first UX writer at the company, primarily working on mobile wellness apps across global markets.
- Ran a voice and tone workshop.
- Delivered a roadshow presentation to several groups to socialize UX writing.
- Participated in several 5-day design sprints, providing copy, giving feedback and standardizing language.
- Learned localization best practices and thought through how to apply them to products.
- Started to create a content library and style guide to make alignment easier, especially for design and development.
- Mentored junior designers on running a Discovery workshop for a new product.
- Liaised with a public health SME to deliver clinical health content to consumers.
- Worked on initiatives including healthy actions, healthy work and coronavirus response.
- Created and edited microcopy, app store descriptions, FAQs, push notifications and more.
- Wrote a blog post with financial advice for the Covid-19 pandemic.

Arity (subsidiary of Allstate)

Senior UX Writer (May 2016-July 2019)

T: 262-719-3275
E: ellenf316@gmail.com

Ellen A. Feldman

AI Conversation & Content Design

Chicago, IL

- Worked with Allstate's predictive analytics startup Arity to create several mobile app products, as well as help incubate ideas for possible new products.
- Led and participated in numerous design thinking workshops.
- Wrote microcopy for a range of mobile-first products.
- Collaborated with UX designers, UX researchers, developers, marketing, product owners and more.
- Created a content audit and made updates for a developer portal.
- Wrote conversational interface copy and scripts for an Alexa skill.
- Wrote blog posts for company blog.
- Participated in Toastmasters.

Allstate

UX Writer (Oct. 2015-May. 2016)

Jr. UX Writer (Nov. 2012-Oct. 2015)

Northbrook, IL & Chicago, IL

- Wrote and edited copy for websites, microsites, mobile apps, emails, videos, posters and social media for clients including Allstate's Connected Car, Milewise, Drivewise, Online Quoting Tool, My Account, Self-Service, Promotions, Affinity Programs and more.
- Built style guide and collaborated with developers and designers to incorporate a copy section into their internal, WordPress-hosted human interaction guidelines.
- Collaborated with user experience designers, visual designers, user experience researchers, developers, marketers, product managers and business partners on cross-functional projects.
- Trained and mentored three employees.
- Created content inventory and audit.
- Constructed and managed content matrices and tagged keys in conjunction with user experience architects.
- Crafted personas.
- Established brand taxonomy.
- Managed relationships with vendors.
